1. Performance Staging and Meals

The Gregory Boyd band or Gregory Boyd requires a PA that is comparable for a large band. The stage setup should access on or off stage safely. For larger and some smaller venues lighting would be a requirement on both situations a qualified lighting and sound technician. Gregory Boyd normally records every show with a digital device of some kind so outputs on the mixing board should be set for recording. Backline is something that we would require if the performance is more than 4 hours away from Århus Denmark. Or if there is flying involved in our travel plans. A backline of bass and guitar amplifiers as well as drums (without cymbals) is the sole responsibility of the venue large or small outside the 4 hour travel distance. *If the performance is an outside engagement, we ask the venue to secure a full covering over the band due to the steel drums delicate nature in direct sunlight.* We ask that dressing rooms be available for all sizes of venues. We realize that with respect to dressing rooms this may be a rather tedious is nature in smaller venues but it would be to our advantage for smaller venues to secure a room or an area that clothes changing and relaxing before and after sets can take place. Backstage we require sodas, water, fruit, energy drinks and food items such as finger sandwiches. After or before the performance whichever is decided we require a standard meal.

2. Housing and Meals

If Gregory Boyd and Band will stay the night in your area and we agree that you will pay for accommodations we will require single rooms in a moderately priced 3-4 star hotel or comparable accommodation. That will offer Breakfast. If venue does not offer this Gregory Boyd will add this to the baseline cost of the show.

3. Cancellation

If for any reason the performance is cancelled within two weeks of performance of the show due to the venue we will retain 50% of baseline cost of the show if cancellation occurs within one week of the show due to the venue Gregory Boyd and Groovesville music will retain 75% of the baseline. If cancellation occurs due to any part of Gregory Boyd or GroovesVille our contract is forfeited completely.

4. Promotion

We ask for standard promotion preparation for the performance which will include hand bills, flyers, internet and Radio and television (If applicable), Gregory Boyd will supply some postering for the event but since we are not a promotions company we are limited in what we can supply with respect to your area. However if we must supply posters for the performance we ask that your venue secure distribution comparable to the desired turnout. Gregory Boyd is very interested in being available to any and all promotions activities within reason leading up to the event either by Facebook or any other social media that your venue uses to post performances.

5. Pay and Baseline cost

a) We require 50% of basic salary to be paid to Gregory Boyd 2 weeks before decided concert date and 50% to be paid in Cash after the first set or at the beginning of the night of the performance NOTE: The initial 50% payment for baseline salaries will be used for travel and must be received by the Bank of Denmark no later than 2 weeks prior to travel! Account numbers will be given on receipt of contracts. If there are questions regarding this Rider please send them to info@gregoryboyd.dk

b) for Door Venues
